* DC power charge is per Load Amp, not per fused amp.

** Rates are taken from the Pennsylvania Commission Collocation Tariff.

Assumptions for Cageless Collocation: 1) four racks/bays, 2) 20 amps used/30 amps fused, 3) 5 cards activated on security system

NOTE: Cable Installation and cross-connect rate elements were not used in the example. Cable installation is optional; CLEC's vendor can perform work. Cross-connects occur after the collocation arrangement is constructed.
